PERSONAJES

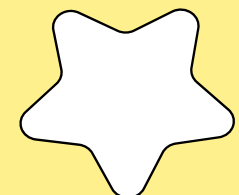

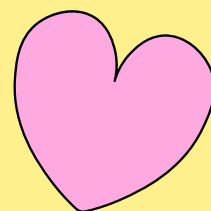

CORAZÓN ENAMORADO

El corazón representa mi amor por el amor en todas sus formas: el cariño, la ternura y la conexión con los demás. Con su expresión dulce y sus pequeños detalles, simboliza afecto, sensibilidad y emociones bonitas, recordándonos la importancia de querer y dejarnos querer.

DONUT GLOTON

Este personaje nace de mi amor por la comida y por disfrutar de los pequeños placeres de la vida. El donut representa la alegría, lo dulce y ese momento feliz que nos regalamos cuando nos damos un capricho. Siempre sonriente y en movimiento, transmite energía positiva y ganas de disfrutar sin culpas.
